K Production Podcast

K Prod is now a K Pod. Our podcast is going to explore the UK millennial's society and culture. We'll be chatting about on-going issues that our generation faces, to exciting pop culture that can brighten our day.

Ep 1: A new young single mother needs guidance on being a parent and a student at the same time. We searched for people who can advise her what to do and what she shouldn't do. What is she feeling guilty about? Come and join me and my co-host brother/flatmate Josh.
